COMPLAINT

COMES NOW, MITCHELL WINKLEMANN, by and through the undersigned counsel, and files this, his Complaint against Defendant, BUDDY BELLS, INC., pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s BUDDY BELLS, INC., failure to remove physical barriers to access and violations of Title III of the ADA.

PARTIES

2. Plaintiff, MITCHELL WINKLEMANN (hereinafter “Plaintiff”) is and has been at all times relevant to the instant matter, a natural person residing in Roselle, Illinois, (DuPage County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in performing one or more major life activities, including but not limited to: walking, standing, grabbing, grasping and/or pinching.

5. Plaintiff uses a wheelchair for mobility purposes.

6. In addition to being a customer of the public accommodation on the Property, Plaintiff is also an independent advocate for the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. His motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to demonstrate the plausibility of Plaintiff returning to the Property once the barriers to access identified in this Complaint are removed in order to strengthen the already existing standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property. (“Advocacy Purposes”).

7. Defendant, BUDDY BELLS, INC. (hereinafter “BUDDY BELLS, INC.”) is a domestic company that transacts business in the State of Illinois and within this judicial district.

8. Defendant, BUDDY BELLS, INC., may be properly served with process via its Registered Agent, to wit: c/o Taft Service Solutions Corp., Registered Agent, 111 E. Wacker Drive, Suite 2800, Chicago, IL 60601-4209.

FACTUAL ALLEGATIONS

9. On or about August 17, 2024, Plaintiff was a customer at “Taco Bell”, a business located at 275 W. Golf Road, Schaumburg, IL 60195, referenced herein as “Taco Bell”. *See*

Receipt attached as Exhibit 1. *See* Selfie attached as Exhibit 2.

10. On October 26, 2024, Plaintiff again visited the Taco Bell located at 275 W. Golf Road, Schaumburg, IL 60195 as a customer. *See* Receipt attached as Exhibit 3. *See* Selfie attached as Exhibit 4.

11. Plaintiff's October 26, 2024 visit as a customer of Taco Bell was Plaintiff's third visit to the Property as a customer.

12. Defendant, BUDDY BELLS, INC., is the lessee, sublessee or operator of the real property and improvements that Taco Bell is situated upon and that is the subject of this action.

13. Plaintiff's access to Taco Bell, located at 275 W. Golf Road, Schaumburg, IL 60195, Cook County Property Appraiser's property parcel identification number 07151000300000 ("the Property"), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of his disabilities, and he will be denied and/or limited in the future unless and until Defendant is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

14. Plaintiff lives only 5 miles from the Property.

15. Given the close vicinity of the Property to the Plaintiff's residence, Plaintiff often travels by the Property.

16. Plaintiff has visited the Property three times before as a customer and advocate for the disabled. Plaintiff intends to revisit the Property within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property is made accessible and to substantiate the already existing standing for this lawsuit for Advocacy Purposes.

17. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer as well as for Advocacy Purposes but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

18. Plaintiff travelled to the Property as a customer three times previously and as an independent advocate for the disabled, personally encountered many barriers to access the Property that are detailed in this Complaint, engaged many barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury if all the illegal barriers to access present at the Property identified in this Complaint are not removed.

19. Plaintiff became aware of all identified barriers prior to filing the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access on one visit, Plaintiff may encounter a different barrier to access identified in the Complaint in a subsequent visit as, for example, one accessible parking space may not be available and he would need to use an alternative accessible parking space in the future on his subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be exposed to barriers to access and legally protected injury.

20. Plaintiff's inability to fully access the Property and the stores in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

21. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

22. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

23. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing

discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

24. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

25. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

26. The Property is a public accommodation and service establishment.

27. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

28. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

29. The Property must be, but is not, in compliance with the ADA and ADAAG.

30. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property and as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or

accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

31. Plaintiff intends to visit the Property again as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

32. Defendant, BUDDY BELLS, INC., has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

33. Defendant, BUDDY BELLS, INC., will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, BUDDY BELLS, INC., is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

34. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- i. The two accessible parking spaces and associated access aisle have a running slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as Plaintiff's wheelchair may roll down the slope while entering or exiting the vehicle.
- ii. Due to an inadequate or lack of a policy of parking lot maintenance, the accessible parking spaces are not adequately marked so as to adequately gauge the width of accessible parking space and the presence of an access aisle and is therefore in violation of Sections 502.1 and 502.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space and may cause other vehicles to unknowingly park in the accessible parking space decreasing the available width to Plaintiff.
- iii. There are no accessible parking spaces on the Property that have a sign designating an accessible parking space as "Van Accessible" in violation of section 208.2.4 of the 2010 ADAAG standards and section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate a van accessible parking space.
- iv. The bottom edge of the sign identifying the accessible parking space is at a height below 60 inches from the floor in violation of Section 502.6 of the

2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.

- v. Leading from the access aisle of the accessible parking spaces towards the main entrance, the access route is a ramp. Due to the proximity of the accessible ramp to the main entrance, the accessible ramp lacks a clear and level area at the top of the ramp of at least 36 inches in length past the top of the ramp in violation of section 406.4 of the 2010 ADAAG Standards. This barrier to access would make it difficult and dangerous for Plaintiff to access the public accommodations offered at the Property because a clear and level landing is necessary for Plaintiff to safely turn from the ramp towards the entrances, by not having a clear and level landing, Plaintiff is forced to turn on a sloped surface which can cause the wheelchair to tip over and cause injury.
- vi. Due to the proximity of the accessible ramp leading from the accessible parking spaces to the main entrance, the maneuvering clearance of this accessible entrance is not level (surface slope in excess of 1:48) in violation of Section 404.2.4.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property since it is often necessary for individuals in wheelchairs to need to use their hands to both wheel through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this ordinarily difficult process is made even more difficult by the inappropriately higher slope.
- vii. Leading from the public sidewalk towards the accessible entrance, the walking surfaces of the accessible route have a slope in excess of 1:12 in

violation of section 403.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the Taco Bell using public transportation.

- viii. Also leading from the public sidewalk towards the accessible entrance, As the accessible route is in excess of 1:20, it is considered an accessible ramp, moreover, it has a total rise greater than six (6) inches, yet does not have handrails in compliance with section 505 of the 2010 ADAAG standards, this is a violation of section 405.8 of the 2010 ADAAG Standards. This barrier to access would make it difficult for Plaintiff to access the Taco Bell if he decides to utilize public transportation as ramps are often more difficult for disabled individuals to traverse and require handrails on both sides so that the disabled individual can use the handrail to assist them up the sloped surface.
- ix. Not all entrance doors and doorways comply with section 404 of the 2010 ADAAG standards, this is a violation of section 206.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access the units of the Property.
- x. Leading from the public sidewalk towards the accessible entrance, the ramp leading from the accessible parking spaces cause the access route coming from the public sidewalk to have a cross-slope in excess of 1:48, in violation of section 403.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because excessive cross-slope along accessible routes increases the likelihood of Plaintiff's wheelchair tipping over on its side and injuring Plaintiff. There

is no sign pointing to an alternate entrance or route that does not have a cross-slope.

- xi. Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

35. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

36. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

37. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

38. All of the violations alleged herein are readily achievable to modify to bring the Property into compliance with the ADA.

39. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

40. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, BUDDY BELLS, INC., has the financial resources to make the necessary modifications since it operates a Taco Bell restaurant, which operates 8,564 restaurants in 32 countries around the world and has a total annual revenue of \$2 billion.

41. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable.

42. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction available from the IRS for spending money on accessibility modifications.

43. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

44. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant, BUDDY BELLS, INC., is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

45. Plaintiff's requested relief serves the public interest.

46. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, BUDDY BELLS, INC.

47. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, BUDDY BELLS, INC., pursuant to 42 U.S.C. §§ 12188 and 12205.

48. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, BUDDY BELLS, INC., to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, BUDDY BELLS, INC., in violation of the ADA and ADAAG;

- (b) That the Court issue a permanent injunction enjoining Defendant, BUDDY BELLS, INC., from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, BUDDY BELLS, INC., to (i) remove the physical barriers to access and (ii) alter the subject Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
